STUDIES

# Welcome to TIIS

The Institute of International Studies (TIIS), established in 2017, is a Tertiary Education Quality and Standards Agency (TESQA) accredited independent institution of higher education in Australia, with undergraduate and postgraduate programs with campuses in Sydney and Melbourne.

TIIS is staffed by an international team of first-class PhD teachers and student services staff who are committed to providing an international standard of education for students seeking to build or further their business leadership skills.

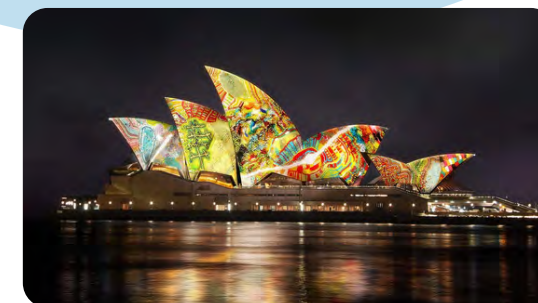

TIIS graduates have been active in the world of business and politics. Its experienced international educational background, solid Australian business connections and colleagues and alumni have built a foundation of long-term friendships and business connections for graduates from all walks of life.

At TIIS, we extend our heartfelt gratitude to you for choosing us as your higher education destination. As an accredited higher education provider in Australia, we take immense pride in welcoming you to TIIS for a transformative and enriching learning journey. We firmly believe that your selected courses mark the first significant step towards realizing your career aspirations.
