\*\*Specialization Telecommunications Network Engineering

## Entry Requirements:

**Age:** All international students must be at least 18 years of age or above when the course starts.

## Academic requirements:

- **Vocational courses:** Students must have completed studies equivalent to Australian Year 12.
- **Postgraduate programs:** Students must have studies equivalent to Australian Year 12 and have completed a minimum of Diploma, Advanced Diploma or Bachelors qualification.

## English Requirements:

- For all the courses, students are required to have a minimum IELTS (International English Language Testing Service) score of 6.0 or equivalent English language tests as outlined by the Department of Home Affairs.
- For further information about entry requirements, visit our website at [www.danford.edu.au](http://www.danford.edu.au)

## Please Note

- The enrollment fee is **\$200** (Non-refundable).
- ALL students must pay Digital Access Fees **\$100** per single course (up to 1 year), i.e. Civil Construction Design **\$200** (2 year course).
- Orientation Day is every first Monday of the month except for public holidays, which will be on a Tuesday.

\*A Material Fee of \$1,000 applies to the Advanced Diploma of Engineering Technology (Civil Engineering Design). Students will be required to purchase additional resources at their own expense. Information regarding the estimated cost and where to obtain these resources will be provided in due course.
